

ASU WEST CAMPUS PARKING INFORMATION

Due to a “pay-by-license plate” parking system at ASU West campus, visitors are required to pay for parking upon arrival (\$3 per hour). OLLI at ASU strives to offset these parking costs at the time of registration; therefore, class fees at West campus reflect \$3 off per class session.

To use the parking system at ASU West Campus:

- Park your car in any open space in Lot 12 North Zone and have your license plate number handy. If this lot is full, you may also park in Lots 10 or 11 North Zone.
- Walk to a “pay-by-plate” parking kiosk. [Click here](#) to view a picture of the parking kiosk locations. If you have a disabled plate or placard, you may also park in Lot 14 North Zone, located right in front of Lot 12. Select any open space and then proceed to the kiosk.
- Press the keypad to activate the screen.
- Follow the prompts: enter your license plate number, select “purchase ticket,” select the number of hours you will be on campus, you do NOT have a coupon code, then use a MasterCard or Visa to pay for parking. **Cash is not accepted.**
