

## Back to School Lunch & Learn at Maravilla

Tuesday, September 12<sup>th</sup> at 10:30am

Join us at Maravilla Scottsdale for a “back to school” luncheon to celebrate lifelong learning and the start of the Osher Fall Semester. Learn more about the fall courses being offered at Maravilla.

Our guest lecturer Heidi Osselaer, Ph.D., from Arizona State University will discuss “Travel in Arizona.” Learn about what it was like to ride in a stage coach over rocky roads or travel by steamboat or ferry on the Colorado River before it was dammed. We’ll examine the challenges of train travel and the feats of early aviation. Guests will also enjoy a complimentary lunch at Maravilla’s Ironwood Grill.
