

WOW!

Look at all these OLLI at ASU Opportunities!

You clearly are someone who loves learning – whether you're taking some of our wide array of classes, traveling with us, participating in member-driven activities, facilitating member-driven activities, or becoming involved in one of our many intergenerational activities! We thank you for your active participation.

YOU GET IT!

“Studies show that keeping brains stimulated helps [us] retain mental alertness as [we] age. The brain's physical anatomy actually responds to enriching mental activities. Scientists have discovered that the brain, even an aging brain, can grow new connections and pathways when challenged and stimulated.” *

Because you know how important lifelong learning is, we ask you to help us grow OLLI at ASU by contributing today to our annual fundraising campaign.

Your contribution to OLLI at ASU:

- Provides access to great instructors at an affordable price
- Increases number of classes available
- Assists with annual expenses
- Provides a sense of community
- Secures a thriving future for lifelong learners
- Carries on your legacy
